PROGRAMME

WELCOME MESSAGE

Dear Colleagues & Esteemed Members,

Invitation to MDSICON 2025 in Varanasi

It is with great pleasure that we extend this invitation to you for the 9th Annual National Conference of The Movement Disorder Society of India (MDSICON 2025) to be held in the culturally rich city of Varanasi.

Varanasi, nestled along the banks of the sacred River Ganges, is not only one of the oldest cities in the world but also a vibrant center of spirituality, culture, and learning. Its timeless charm, adorned with ancient temples, bustling ghats, and winding alleys, promises a truly enriching experience for all attendees.

The Movement Disorder Society of India (MDSI) is delighted to host this prestigious event, offering a platform for professionals and researchers in the field of movement disorders to exchange knowledge, engage in insightful discussions, and foster collaborations. MDSICON 2025 aims to showcase cutting-edge advancements, innovative therapies, and emerging trends in the diagnosis and management of movement disorders.

We cordially invite you to join us in Varanasi for MDSICON 2025, where you will have the opportunity to connect with peers, gain new perspectives, and contribute to the advancement of our collective understanding of movement disorders.

We look forward to welcoming you to Varanasi and an inspiring and fruitful conference experience.

TOURIST ATTRACTIONS IN VARANASI

(Welcome To Varanasi Oldest Living City of World)

In the southeastern of Uttar Pradesh, on the banks of the holy River Ganga, lies Varanasi, which is believed to be the oldest living city in the world. For centuries, the mystic of this place has been attracting pilgrims from across India as well as abroad. Varanasi is the colorful and fascinating India of your dreams, with ancient domes, muths, ashrams, priests, and narrow lanes filled with Benaresi saree shops. With intimate rituals of life and death being parallelly performed on the Ghats, you'll find it exhilarating to explore the religious geography of this city. Walk through the busy alleyways or watch the sunrise from a boat for an unforgettable experience. Trace the perimeter of the city, paying homage to shrines all the way. Who knows, a journey to this City of Light may turn out to be your favorite stop of all.
