Tourist Attractions in Varanasi

(Welcome To Varanasi Oldest Living City of World)

In the southeastern of Uttar Pradesh, on the banks of the holy River Ganga, lies Varanasi, which is believed to be the oldest living city in the world. For centuries, the mystic of this place has been attracting pilgrims from across India as well as abroad. Varanasi is the colorful and fascinating India of your dreams, with ancient domes, muths, ashrams, priests, and narrow lanes filled with Benaresi saree shops. With intimate rituals of life and death being parallely performed on the Ghats, you'll find it exhilarating to explore the religious geography of this city. Walkthrough the busy alleyways or watch the sunrise from a boat for an unforgettable experience. Trace the perimeter of the city, paying homage to shrines all the way.
